3-Day Sale 1,500 Coats and Suits

Mr. Duffy Just Bought for Spot Cash These Last-Minute Styles in New York City

\$5.00, \$7.98, \$9.98, \$12.50

Mr. Duffy has returned from New York, where he purchased practically a thousand Suits and Coats from several of our best manufacturers. The hugeness of the order, together with the fact that we are their best customers and paid "SPOT CAS I," were the reasons we obtained such tremendous reductions in prices at the very beginning of the season.

We are delighted with the values. You will be, too, when you see them. Over 500 suits have been added to these purchases from our own carefully selected stock. ALL go on sale—no reserve—today at 8 a. m. These are the very best suit values ever offered in Atlanta at this time of year.

Practically every desirable material is included. You will find broadcloths, davetyns, diagonals, mixtures, eponges, mannish tutures and novetty vesses of all kinds, in such new shades as Hague blue, French blue, light and dark gray, Quaker brown, purple, tarta, as well as bluck and staple colors—all clegantly lined.

Never before have you been offered such quality at such riddeulous prices so early in the season. It is a sale that should receive attention of every well-dressed and saving woman in Atlanta and vicinity.

Children's Coats \$1.00, \$1.98, \$2.50, \$2.98, \$3.50, \$3.98

Court in Oglethorpe stington, Ga., October 31. Oglethorpe superior cour on with Judge D. W. Meado and Solicitor Brown,

One evidence of advancement in culture and

refinement these days is that men are wearing better clothes than they used to. Our mission—and privilege —is to make it possible for more men to satisfy this reasonable desire without extravagant expenditure.

By our large and highly efficient organization we secure all the economies. More, we secure many re-finements, and the highest possible skill and talent, which a lesser operator could not afford,

That's why \$25 spent Thars why \$25 spent for a suit or overcoat gets so much real value, and means so much in style and dignity.

We make other clothes for \$18 and \$20, and for \$30, \$35, \$40 and \$50.

The Best Time to Buy a Perfectly Splendid Overcoat Is

To come in and look up the one you want while they're all here, and then to "go in" for a good one while you're about it.

To get a good winter's wear out of a coat is to buy the coat with good wear in it-to buy it early, and start even with the winter.

Just how many winters a MUSE Coat will "have a run" is due to the quantity of moth balls you sow in the spring.

We'd have to be far-seeing to tell you anything of the demise of such Overcoats as we sell. Here's hopin' you'll live as long as the Coat—and prosper.

It contains only 4 1-2% alcohol. Light wines contain 10%. The health-giving properties of pure beer aid digestion, increase vitality and tone up the nervous system. But be sure it is pure.

Get Schlitz in **Brown Bottles**

It is made pure—cooled in filtered air-and then kept pure. The Brown Bottle protects its purity from the brewery to your glass. Light starts decay even in pure beer.
